3. Asatoma Prayer/Statement of Purpose

Asatoma sad gamaya Lead me from the unreal to the real
Tamasoma Jyotir gamaya Lead me from darkness to light
Mrityorma amritam gamaya Lead me from the timebound state of consciousness to the timeless state of being that we are.

Statement of Purpose could be something like:

During this time, I will participate wholeheartedly in this process and trust that whatever issues are in the way of my full realization will be released spontaneously and effortlessly. I let go of any struggle or effort to make anything happen.

II. Induction Techniques Phase I

A. Physical Relaxation

1. Stretching and Relaxation/Seated or Standing

- Facial exercise: tightening and relaxing the facial muscles, opening the mouth wide, extending the head upwards, stretching the neck muscles.
- Head and neck rolls, described in script #1.
- Shoulder rolls, forward and back.
- Flexing hands and feet.
- Inhaling, take the flat fingers of one hand and exhaling gently press all the fingers of the opposite hand backwards.
- Opening and closing the hands into fists and curling the toes.
- Lateral stretches: breathing in, straighten the body up through the spine, extend one arm along side the head with the opposite resting in the lap; exhale and gently lean to one side, return to center and repeat on the opposite side.
- Leg raises: inhaling, flex and lift the leg. Exhale, gently pull it up and in toward the torso.
- Inhale and clasp the hands behind the back, exhale and gently straighten the arms pressing the chest up and forward.

See Phrasing for the 2nd half of the Posture (or use your own)

3. Asanas

Neck Rolls

- Keep the neck and head in alignment with the chest..... inhale fully and
- Exhaling, gently press your right ear towards the right shoulder.
- Be aware of any resistance, or tension, not choosing for or against. Just be aware of its presence.
- Inhaling, return to center; exhaling, press the left ear towards the left shoulder.
- Again just take notice of any sensation in the area.
- Inhaling, return to center....exhaling, slowly press the chin to the chest.

- Noticing any stretch in the back of the neck or top of the shoulders, breathe into it relax the muscles around the area, and let go...
- Inhaling, return to center and exhaling press the head back slowly feeling the stretch in the throat.
- Bring your awareness there and in the observing...let go...
- Inhaling, slowly return to center.
- And reverse. And repeat once again.

Seated Forward Bend

- Come to a sitting position with your legs extended out in front of you.
- Press the heels out and down.
- Feet close together, palms on thighs.
- Extend the palms in front of you, hands facing each other-shoulder width apart.
- Extend the arms overhead.
- Take a step back with both hips.
- Inhale and extend up through the fingers and the crown of the head.
- Exhale; press the chest forward, hinge at the hips, extend the torso forward and down.
- Arms are alongside the ears.
- Move the hands towards the ankles or feet, take hold of the feet.
- Do not pull or force. Breathe fully into sensations that arise in the body.
- Extend from your lower back.
- Let your stretching be deliberate and conscious; moving beyond your habitual limits.
- Pull the abdomen in and extend the chest and torso further forward.
- Move deeper into your body and discover the subtle layers of tension. Experience the release of trapped energy. Be deliberate as you move deeper into the experience.
- As you exhale, relax your head and lower your forehead towards your knees.
- Use breath to help you open your body fully and melt away stress in all its forms.
- Allow yourself to feel fully.
- To release, extend through the spine, arms and fingertips.
- Rise up slowly with arms extended overhead, palms facing each other.
- Extend your arms out in front of you and lower your palms to your thighs.
- Close your eyes and relax into sensation.
- Breathe fully and let go more deeply with each exhalation.
- Let your mind be deeply engaged and absorbed by the dynamic energy flooding through your whole body.
- Relax... and create an open psychic space for the energy field to expand and grow.
- Feel it flood the entire body.
- Energy follows attention...nurture it.

Spinal Rocking

- Sitting, clasp your hands below the knees.
- Inhale as you rock back, and exhale as you rock forward.
- Do this several times until asked to stop. (Pause.)
- Now rest on your back with your feet flat and knees bent.
- Pay attention to every sensation that comes and goes as you stretch in and out.
- Leave your mind and enter more fully into the sensations in the body. Relax.

Spinal Twist

- Bring yourself to a position lying on the floor.
- Extend both arms out to the side, at right angles to the body as much as possible.
- Inhale and bend both knees and bring them in towards the chest.
- Exhale and press both knees to the right.

- Turn your head to the left.
- Keep the shoulders pressed to the ground.
- Do not force.
- Use breath and breathe into any resistance felt in the body.
- Relax, and let go...
- Breathe deeply and let go even more....
- To release, bring the knees up, wrap the arms below the knees.
- Rock back and forth once or twice.

Repeat on the other side.

- Extend both arms out to the side, at right angles to the body as much as possible.
 - Inhale and bend both knees and bring them in towards the chest.
 - Exhale and press both knees to the left.
 - Turn your head to the right.
 - Keep the shoulders pressed to the ground.
 - Do not force.
 - Use breath and breathe into any resistance felt in the body. Relax, and let go...
 - Breathe deeply and let go even more....
 - To release, bring the knees up, wrap the arms below the knees.
 - Rock once or twice.
 - Extend your legs out in front of you and relax.
 - Let your whole body melt into stillness....
 - Release any holding anywhere in the body.
 - Become aware of the energy that has been released in the body.
 - Merge into this ocean of energy.
 - Let it flow into any holdings in the body, physical, mental and emotional, bringing you into the deepest state of balance and relaxation. (Pause.)
